Additional lighting and fan were added - but not to worry there is AC here! The fully finished basement is just as impressive, with bright windows that let in plenty of natural light. It features a large family room and games area, an additional 4th bedroom, a 3pc bathroom, and the comfort of in-floor heat throughout. There is an elegant wet bar here for those extras to hide and guests to entertain! Check out the walk-out access to the lower, covered patio, providing a shaded area perfect for relaxing during warm summer afternoons. The backyard is a true hidden gem. Enjoy summer evenings on the large upper deck, complete with space for a BBQ and patio furniture. There's a handy shed tucked into the corner, and low-maintenance landscaping that allows you to spend more time enjoying and less time working. Decorative stone walkways will impress you. Dog run is situated on the north wall. This home also features a maintenance-free exterior and is located just minutes from heritage ranch, the trail system, shopping, schools, and other amenities.
